### General Description:

**4/12/08** – Depart West River for St. Michaels. Plan to arrive by 1600. Trip takes 4 to 5 hours with a decent wind.  
**4/13/08** –Return to West River with most cruisers departing by noon.

### Mooring Arrangements:

Anchor near the Museum, [www.cbmm.org](http://www.cbmm.org) Slips and dockside moorings (most with power) are available for *museum members only*. CBMM asks that Mel coordinate slip and dockside reservations. *Call or email Mel no later than March 15* providing LOA, beam, draft, electricity requirements (30a or 50a), and number of persons on board. **If you sign up for space and cannot come, please let Mel know ASAP.**

### Details Of Activities:

**Happy Hour** We will all meet on the grounds of Chesapeake Bay Maritime Museum (CBMM website) for cocktails after the museum closes at 1700. Wine from the Club will be provided; please remember to bring snacks to share.

**Saturday Supper** There will be options this year as a gathering at one restaurant has proven awkward for our increasing group size. Many cruisers enjoy dining aboard. Others may want to make plans to eat ashore. Reservations would be wise as this may be a busy weekend. Cruisers have enjoyed: **Town Dock** 410-745-5577, **Bistro St. Michaels** 410-745-9111, **208 Talbot** 410-745-3838, **Crab Claw** 410-745-2900

**Sunday Morning Breakfast** As usual, we will meet for an early 8:00 am breakfast at Chesapeake Cove – separate checks available.

### Deadline for RSVPs:

RSVP on or before 15 March if dock space at the Museum is requested.

### Process For Coordinating Revisions To This Notice

If necessary, revisions will be distributed via email by 10 April.

### Radio Watch Plan:

VHF Channel 74 at 15 minutes past each odd numbered hour beginning at 0915 on 12 April and ending after all participants have arrived.
