

Race Rules & Laser Techniques Movie Night

April 27th, 7pm at the clubhouse

Get yourself primed and ready for the sailing season with a fun evening of some interactive Race Rules quizzes and discussion, followed by a DVD on Laser sailing techniques.

This event is Laser-oriented, but all are welcome. Even if you're not a Laser sailor, you can get a Rules refresher, have some food and drink with friends, and if you like, learn more about the fun you can have on a Laser - no matter what else you may sail.

Food and beverage (beer, wine, soft drinks) will be available for purchase.

Hope to see you there!
