March 13, 2010 - West River Sailing Club – Bring a Friend Into Sailing Day – 2pm to 5pm

You don't have to be rich to start sailing. The editor of *SpinSheet* and *Start Sailing Now*, Molly Winans and sailors from the Albacore Fleet and WRSC will set One Design dingy boats on the WRSC lawn for demonstrations. Molly and WRSC sailors will share practical advice about how to get into the sport of sailing this upcoming season with minimal or no investment. Tips include how to find sailors, sailing clubs, and race crews that welcome new members, what sailing lingo you should know, what to wear (and what you *don't* need to buy), and a quick study of boat types and the regional sailing school scene. Please join the fun, and bring a friend who would like to learn to sail. **WRSC** located 4800 Riverside Drive, Galesville, MD 20765 - Lunch for purchase starts Noon – Seminar 2 to 4 pm.
